SIR,

In forwarding herewith the correspondence ending with Saklespur Municipal President's letter No.C.98-32 dated 30th January 1934, re: the layout of an extension to the Saklespur town, I have the honor to state asfollows:-

The Municipal Council having requested this office to grant them, free of cost, S.Nos. 184, 186 and 191 of Saklespur village, for forming an extension to the west of the town, a recommendation was made to the Revenue Commissioner. In reply thereto, he forwarded a copy of your letter No.R.5089/L.R.314-32-2 dated 18th April 1933, to the effect that before taking steps for acquisition sanction of Government might be obtained to the town extension scheme.

A copy of this order having been sent to the Sub Division Officer and President, Saklespur Municipal Council, he reported that the lands in question had been surveyed by the overseer of the Sanitary Department and that the plan was under preparation in the office of the Sanitary Engineer, and again requested sanction to the layout of the extension. He has ~~seen~~ since submitted the plan of the extension, which shows that the Municipal Council are in need of S.Nos.184, 185, 186 and 191 for forming the extension. Of these, S.Nos.184, 186 and 191 are Government lands and S.Nos.185 is a Hiduvalli. So, the first three lands require to be alienated and the last acquired. The President has reported that he has moved the Revenue Department re the acquisition of

of S.No. 185. The question of alienating the remaining S.Nos. will be disposed of after the town extension scheme is sanctioned.

I request you to be so good as to move the Government to kindly accord sanction to the Town Extension Scheme. The lay-out map received from the Sanitary Engineer is herewith sent for kind perusal.

I have the honor to be,
Sir,
Your most obedient servant,

Deputy Commissioner,
Hassan District.
